

CERTIFICATE

Bureau Veritas Certification Holding SAS - Italy Branch certifies that the Management System of

PIETRO FIORENTINI S.P.A.

Via Enrico Fermi, 8/10 - 36057 ARCUGNANO (VI) - Italy

has been audited and found to be in accordance with the requirements of the management system standards detailed below

ISO/IEC 27001:2022

Scope of certification:

Design and production of: regulation, safety and measurement devices for transport and distribution networks for combustible gases and oil; isolation devices for transport and distribution networks for combustible gases and oil; treatment devices for transport and distribution networks for combustible gases and oil; complete and integrated systems for transport and distribution networks for combustible gases and oil; equipment or systems for the remote management (remote reading and monitoring). Packaging and distribution of odorizing liquids for combustible gases. Construction of odorization plants for transport and distribution networks. Chromatographic gas analysis at customer installations, using MES systems. Gas Chromatography Analysis Laboratory's activities which comprise both Category II tests carried out with direct sampling at customers and all related activities carried out at the site. Design, production of electronic and mechanical devices for measurement, process control, automation and data acquisition. After sales and supply of services, including installation assistance at start up and maintenance services, remote reading and tele management of combustible gas distribution systems, through the use of software and information systems. Periodic verification activities carried out on electronic volume conversion devices and gas meters, onsite and at the customers' premises.

Design and production of electrolytic cells for hydrogen production, electrolytic generators and machinery for hydrogen use. Design, manufacturing management, assembly and storage of containers and bags for separate waste collection. Commercialization of bags and containers for separate waste collection. Design, support and installation of innovative IT solutions using RFID applications, integrated with environmental consultancy. Design and assembly of dedicated hardware. Design, manufacturing and testing of ball valves.

Statement of Applicability Rev.05 dated 22/06/2026

IAF: 33, 26, 17, 18

This is a multi-site certificate, additional site(s) are listed on the next page(s)

Certificate number:
IT332317

Original certification date:
30-May-2018

Last certification cycle expiry date:
29-May-2024

Recertification audit date:
10-May-2024

Current cycle start date:
24-May-2024

Expiry date:
29-May-2027

(Subject to the continued satisfactory operation of the organisation's Management System)

Version: 3

Issue Date:
31-August-2026

Signed on behalf of BVCH SAS Italy Branch

02138

Signatory of EA and IAF Multilateral Agreements

Accredited entity: Bureau Veritas Certification Holding SAS - Italy Branch - Viale Monza, 347 20126 Milano (MI) - Italy

Local Office: Bureau Veritas Italia S.p.A. - Viale Monza, 347 - 20126 Milano, Italia
